

29 January, 2018

Colleagues:

The NDIA Space Division and the NDIA Greater Los Angeles Chapter are pleased to sponsor a presentation by Brig. Gen. John E. Shaw, Director of Strategic Plans, Programs, Requirements and Analysis, Headquarters Air Force Space Command, Peterson Air Force Base, Colorado, to discuss progress on the **Space Warfighting Construct**. The presentation will be held Thursday, March 22th 2018, from 1:00pm to 3:00pm at Northrop Grumman Aerospace Systems, (Aerospace Presentation Center, One Space Park Redondo Beach). Industry attendance is limited to 200 on a "first come, first served", basis, SCI-cleared officers of the NDIA Space Division and SCI-cleared Greater Los Angeles Chapter Board Members. This presentation and discussion will be held at the TS/SCI Level.

Deadline for registration is **9 March 2018**, please register promptly space may fill up quickly. We appreciate each company coordinating their attendance internally. Registration will be cut off once the limits above and/or the room capacity have been reached.

To register:

Follow the instructions on the enclosed form (page two below) and send one completed form per person as well as your clearances to the address indicated. The completed registration form and visit request with clearances will need to be sent in order for you to attend. There is no registration fee to attend this presentation.

Please complete **both** steps to make sure you can attend the event.

If any questions regarding security should be addressed per the instructions on the enclosed form. All other questions to Liz Carter at elizabeth.carter@orbitalatk.com, 310 536-8421.

Feel free to forward this invitation and registration form to other industry folk that would be interested in attending. This event is sponsored by the NDIA Space Division and the NDIA Greater Los Angeles Chapter.

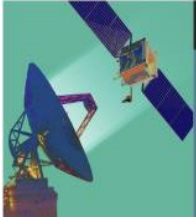

We look forward to a very productive session with Brig. Gen. John E. Shaw.

Sincerely,

Arnie
